Affordable Quality Insurance

Administered by Infussion Financial Services Pty Ltd,
an authorised Financial Service Provider, FSP No. 35953.

Infussion has the perfect excess solution for our clients.

Guarantee your claim settlement amount by choosing the following options

Pay **R55** per month to cover your excess payment up to **R2500**.

OR

Pay **R99** per month to cover your excess payment up to **R5000**.

Why will I need this?

- Short term insurance policies covering motor vehicles comprehensively have a basic excess amount payable on each claim, which reduces the claim settlement amount.
- The individual has to pay the excess amount before receiving his or her vehicle and they may not be in a position to make this payment due to financial constraints.

How does this work?

- No amount to be deducted from your underling Insurance Claim
- Excess Protect will reimburse your basic excess payable

What does it not cover?

- Any other amounts deducted by way of voluntary, additional or penalty excesses in terms of your comprehensive motor policy.
- Normal exclusions and definitions as per your Comprehensive Insurance Policy.
- Windscreen is excluded.

Cover is limited to two(2) claims per annum.
